

CHERRY STREET SPORTS & CLUB LENNOX
AMALGAMATION UPDATE
13TH FEBRUARY 2022.

On Sunday 13th February at an Extraordinary General Meeting, members of Cherry Street Sports Club gave unanimous approval to proceed with the Amalgamation of Club Lennox. The next step will be to procure a long term lease from Ballina Shire Council, and then to forward the application for Amalgamation on to the Office of Liquor and Gaming for approval.

This will see our company extend its Profit for Purpose business model into the local community of Lennox Head when we finally include Club Lennox into the Ballina Bowling and Recreation Club business name. Cherry Street Sports are hopeful that this process will be finalised by the end of this financial year.
